Re: Atherotech, Inc.  
Bankruptcy Case No. 16-00909

Dear Sir/Madam:

Pursuant to Bankruptcy Rule 2002(e), the original notice of the meeting of creditors mailed in the above-style case provided that no claims should be filed because the Debtor's schedules described no assets from which dividends could be generated. Since then, I discovered property of the estate that will be or has been reduced to cash. After payment of administrative expenses, it appears there will be a distribution to unsecured creditors. Please notify creditors to file proofs of claims.

Yours very truly,
